

## **26 November 2015**

### **Idox plc**

("Idox", "the Company" or the "Group")

#### **Director Shareholding**

Idox announces that, on 26 November 2015, it received notification from Laurence Vaughan, Chairman of Idox, that he purchased 50,000 ordinary shares of 1p each in the share capital of the Group ("Ordinary Shares") at 42.5 pence per share on 15 October 2015 and a further 150,000 Ordinary Shares at 42.5 pence per share on 16 October 2015. The purchase was made through Laurence Vaughan's Self-Invested Pension Plan ("SIPP"). Notification was delayed due to an administrative error.

Following these purchases, Laurence Vaughan is interested in 200,000 Ordinary Shares, representing approximately 0.06% of the Group's total voting rights.

#### **About Idox plc**

Idox plc is a supplier of specialist document management collaboration solutions and services to the public sector and increasingly to highly regulated asset intensive industries around the world in the wider corporate sector.

Its Public Sector Software Division is the leading applications provider to UK local government for core functions relating to land, people and

property, such as its market leading planning systems and election management software. Over 90% of UK local authorities are now customers. The Division provides public sector organisations with tools to manage information and knowledge, documents, content, business processes and workflow as well as connecting directly with the citizen via the web, and providing elections management solutions. It also supplies in the UK and internationally, decision support content such as grants and planning policy information and corporates compliance services.

The Engineering Information Management Division delivers engineering document control, project collaboration and facility management applications to many leading companies in industries such as oil & gas, architecture and construction, mining, utilities, pharmaceuticals and transportation in North America and around the world.

The Group employs over 660 staff located in the UK, the USA, Canada, Europe, India and Australia.
