**Idox awarded new contract for Idox Cloud**

Idox plc (AIM: IDOX), a leading supplier of specialist information management software and solutions to the public and asset-intensive sectors, is pleased to announce that Rother and Wealden District Councils shared environmental health service has signed a five-year contract for Idox Cloud Public Protection.

The deal follows a number of contract wins for Idox Cloud products since the beginning of the year including North Warwickshire Borough Council and four other local authorities.

Idox Cloud Public Protection software supports the inspection and enforcement of standards, including environmental health, licensing, trading standards and public sector housing. This contract will see Idox provide the councils with environmental health and licensing solutions, as well as public sector housing at Rother District Council.

Idox Cloud continues to drive and accelerate digital transformation, both within its core Local Authority markets and broader Public Sector engagements.

David Meaden, Chief Executive Officer, said:

"We are pleased to be working with Rother and Wealden District Councils to provide our Public Protection software. By enabling digital transformation within local government, Idox continues its commitment to deliver an enhanced user experience and productivity improvements for customers."
